

# KOMAO JUNIOR HIGH SCHOOL

## TEN MUST

We must wear a uniform.  
We have a summer uniform and  
a winter uniform.  
These are the uniform for winter.

We must not wear uniform like this.  
It is untidy.

We must come to school by 8:05  
in the morning.  
When we enter the classroom, we put  
our bags into our lockers.

We study by ourselves from 8:15 to  
8:30. Especially on Mondays and  
Tuesdays we must read books.

We must study at school from Monday to Friday. We study nine subjects. In the morning we have four classes. In the afternoon we have two classes.

We must eat school lunch. We students must prepare it every day. We put on an apron. We must serve lunch by ourselves.

In Japan teachers move to different classrooms to teach each class. But in Komao J.H.S we must move to the classroom between the classes for each subject.

We must clean our school every day. We must not speak during the cleaning time.

We must do club activities after school every day.  
There are thirteen clubs in my school.

We must leave our school at 6:15 p.m. in summer.  
We must do it 5:00 p.m. in winter.  
We must say “Good bye!”
